

## *Internship Program - Florida, USA*

|                             |  |  |
|-----------------------------|--|--|
| <b>Company Mission</b>      | Intelligentsia International, Inc. (III) offers visitor programs designed to provide an opportunity to experience the environmental, educational and recreational diversity of Florida. The purpose of the program is to offer students, graduates and young professionals an opportunity to participate in ongoing eco-tourism and educational tours and programs.  |   |
| <b>Position Title</b>       | <b>Environmental Advocacy and Organizing</b>   |  |
| <b>Location</b>             | LaBelle, Florida, USA  |  |
| <b>Position Description</b> | <p>As a part of its community service, III works with other non-profit organizations to influence SW Florida public policy in order to bring about some positive changes in the environmental issues of this agricultural region and in particular in the issue of degrading water quality.</p> <p>We are seeking highly motivated students ready for challenges, and willing to take hand in implementing our ambitious plans and improvements. The students will have a unique opportunity to assist in all stages of this and similar projects and therefore to enhance their knowledge in environmental issues, lobbying, law and land usage policy and many others.</p> <p>Learn more about this internship position and apply at <a href="http://intelligentsia-international.org/index.php?page=c1">http://intelligentsia-international.org/index.php?page=c1</a></p> |  |
| <b>Contact Person</b>       | Elmira Khabibullina  |  |
| <b>Application</b>          | Apply on-line at <a href="http://intelligentsia-international.org/index.php?page=c1">http://intelligentsia-international.org/index.php?page=c1</a> OR send CV/Resume to <a href="mailto:internships@intelligentsia-international.org">internships@intelligentsia-international.org</a>   |  |
